

Effective: May 1st, 2010

Subject: Change of Representation in the Northeast United States

To Whom It May Concern,

Brodie International is pleased to announce it has agreed to an Exclusive Sales and Service Contract with North East Technical Sales; to include the States of New York, New Jersey, Pennsylvania, Delaware, and Virginia. In this capacity, North East Technical Sales will be responsible for the Sales and Authorized Service of Brodie International Products with support from the Statesboro, Georgia manufacturing facility. North East Technical is a well established sales organization with a main office and service center in Harleysville, Pennsylvania and 3 branch offices to support their new regional responsibilities for Brodie International.

All requests for product information or service requirements should be solicited through North East Technical Sales at 215-513-1000 or from our websites, www.brodieintl.com or www.netechsales.com. If there are any questions regarding this appointment, please do not hesitate to contact the Customer Service Department in Statesboro, Georgia or 912-489-0200.

Regards,

Michael S. Sulton
Vice President of Sales
