Dick Mathers Joins Brodie Meter Co., LLC

STATESBORO, GEORGIA (JUNE 5, 2007) – Brodie Meter Co., LLC is pleased to announce that effective June 1, 2007, Dick Mathers has joined the Brodie Sales Team as the Global Account Director. In this capacity Dick will be responsible for targeting selected users, distributors and OEMs which will compliment the current sales programs and distribution channel. Organizationally he will report to Mike Sulton, vice president of sales.

Dick has a wealth of experience both in the terminal and terminal automation sectors of the petroleum industry having worked for a number of years with GATX in terminals and ESI and Toptech in terminal automation solutions. For the past four years Dick has been the global sales manager, selling SYNCROTRAK compact flow provers for Calibron Systems. We are pleased to welcome Dick to our team and ask that you contact Dick to congratulate him on his new position.

Dick will office in Phoenix, Arizona and can be reach at (480) 239-5259 or via email at dick.mathers@brodiemeter.com.
